

@dose[®]

FIPL

An **INITIATIVE** Product
ENGINEERING

- Provides constant dosing rate, even under voltage extremes
- Tried, tested & proven in installations across India
- Nationwide dealer network for prompt sales & service support

BACKED BY A NATIONWIDE DEALER NETWORK
FOR PROMPT SALES AND SERVICE SUPPORT

Standard Features

- Solid PTFE diaphragm for longer life
- Double ball NRV
- Built-in ARV
- User friendly knob for adjusting dosing frequency
- CE Certified
- IP 65 Certified

Also available in PVDF for Sulfuric Acid applications

Dosing rate at different back pressures

Technical Specifications

Dosing rate @ 4 kg /cm ²	1.5,3.0,6.0 & 10.0 lph
Suction/Discharge tubing	4/6 mm
Frequency	Up to 400 spm
Electrical	230 V AC, 50 Hz
Power consumption at 400 spm	30 Watts

Pressure(kg/cm ²)	Dosing Flow (lph)
Open	20.0
1	10.0
2	8.0
3	7.0
4	6.0
5	5.5
6	5.0

Scope of Supply

- Metering pump
- Suction/ discharge tubing suction filter cum foot valve
- Anti siphon valve
- Mounting bolts
- O & M Manual

Also Available

eDose Neutra[®]
Electronic Metering Pump

eDose Chloro[®]
Electronic Metering Pump

INDIA'S FIRST pH/ORP CONTROL DOSING PUMP
